

NEMA 12 DOUBLE DOOR FREESTANDING ENCLOSURES

Type 4 & 12 Enclosures

Austin freestanding double door NEMA 12 enclosures are Underwriters Laboratories Listed and are designed to house electrical controls, terminals, and instruments. They provide a degree of protection against circulating dust, falling dirt, and dripping noncorrosive liquids.

Construction:

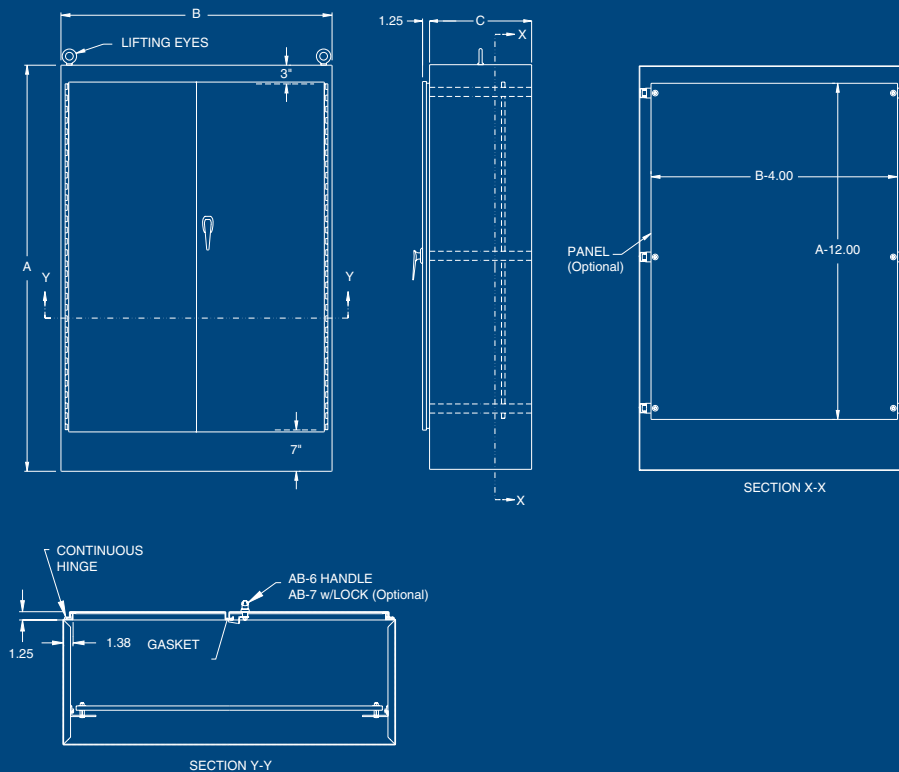

- Fabricated in accordance with UL specifications from code gauge steel.
- Continuously welded seams ground smooth.
- Overlapping doors eliminate need for centerpost.
- Neoprene gasket attached to door with oil resistant adhesive.
- An AB-6 three point lever handle with roller arms holds doors securely.
- Heavy gauge continuous hinge.
- Heavy duty lifting eyes.
- Standard plastic self-adhesive print pocket.
- Mounting channels welded horizontally to enclosure interior sides at top, bottom, and center for optional panel.

Finish:

Austin freestanding double door NEMA 12 enclosures are provided standard with an ANSI 61 gray polyester powder coating. Optional panels are painted white.

Options:

- Special materials.
- Special finishes.
- Custom box size or construction.
