

NEMA TERMINAL STRAP KIT ASSEMBLY

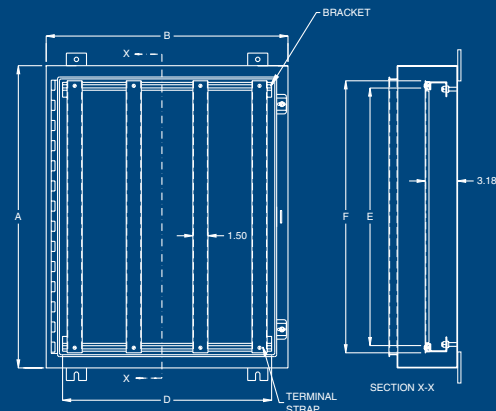

Provides a strong, versatile, and easily installed means for mounting terminal block supports. These kits fit Type 4, 12, and 13 enclosures as well as Large Type 1 enclosures.

Bracket Assembly:

- Each bracket assembly consists of two or three brackets which mount on panel stand-offs in the box. Finish is white.

Terminal Strap:

- A 12 gauge flat channel strap that mounts on top of brackets. They can be positioned anywhere along the brackets and are held in place with spring locking nuts. Finish is white.
